DISCOVER THE WONDERS OF THE GOBI DESERT

(4-Day trip)

Day 1

Ulaanbaatar – Fly to Gobi (600 km – 1 hour) – Bayanzag

“Flaming Cliffs” (130 km – 2 hours)

Pick up from a hotel. Today we will fly to the city of Dalanzadgad and continue to Bayanzag, known as the Flaming Cliffs. An important site for archaeological and paleontological discoveries. The first complete dinosaur fossils and fossilized eggs were unearthed here in fiery red cliffs.

Night in standard tourist GER camp (L/D)

Day 2

Bayanzag Cliffs – Khongor Sand Dunes (160 km – 4 hours)

On this day, we will drive to the Khongor Sand Dunes, also called the Singing Dunes, which stretch for 100 km in length, 15–20 km in width, and rise up to 200 m high. They are known for producing a soft, humming sound when the sand shifts, which can be heard from afar.

Night in standard tourist GER camp (B/L/D)

Day 3

Khongor Sand Dunes – Yol Valley (200 km – 5 hours)

After breakfast, continue our trip to Yoliin Am Canyon, a beautiful gorge home to lammergeiers, bearded vultures. The area offers numerous exotic desert landscapes with endless horizons, along with rare species of plants and animals. Yoliin Am, known as the Valley of the Vultures, is located within the Gobi Gurvan Saikhan National Park.

Night in standard tourist GER camp (B/L/D)
